Response to question 1:

As stated in ACIN I-58-13 and ACIN I-58-13E, number 29, for a PA case, if the report of income is over the IRT the CWD will send a Request for Contact (CF 32) requesting the necessary information to determine the household's eligibility status. If it is confirmed that the household is no longer eligible, the CWD shall discontinue the case at the end of the month in which timely notice can be provided and send the household a NOA discontinuing the CalFresh case.

For an NA case the report of income over the IRT is considered Verified Upon Receipt (VUR) and no further verification is needed. The CWD shall discontinue the case at the end of the month in which timely notice can be provided and send the household a NOA discontinuing the CalFresh case.

Response to question 2:

As stated in ACIN I-58-13 and ACIN I-58-13E, number 29, for a PA case send a Request for Contact (CF 32) requesting the necessary information to determine the household's eligibility status. If the household provides the necessary information to confirm that the new household member is a mandatory member and their income is over the IRT, the case shall be discontinued at the end of the month in which timely notice can be provided and the CWD will send the household a NOA discontinuing the CalFresh case.

For an NA case the report of income over the IRT is considered Verified Upon Receipt (VUR) and no further verification is needed. The CWD shall discontinue the case at the end of the month in which timely notice can be provided and send the household a NOA discontinuing the CalFresh case.

Response to questions 3 and 4:

If the combined income with the new household member will not exceed the IRT the CWD must inform the household of necessary information needed to add the new member on the CF 377.6. The CWD should then follow the steps in ACIN I-58-13E, number 29.

If the addition of the new household member will increase benefits and all necessary information has been provided, the CWD shall add the new member and calculate the new benefit amount.
